

# Stargate Clinic

## Tennessee Wellness Services & LifeWave® Patching Disclosure

(For Healthcare Practitioners)

### 1. Purpose

This form explains how LifeWave® phototherapy-patch sessions offered by physicians (Healthcare Practitioners) associated with Stargate Clinic are **separate and distinct from licensed medical services governed by the Tennessee Board of Medical Examiners (Tenn. Code Ann. § 63-6-101 et seq.)**.

### 2. Status of the Provider

- \_\_\_\_\_, \_\_\_\_\_, is a licensed Healthcare Practitioner for traditional medical services within their scope of practice.
- **When providing LifeWave sessions, the Healthcare Practitioner acts only as an independent LifeWave Brand Partner, not as a practicing physician, diagnostician, or surgeon.**

### 3. Nature of LifeWave Sessions

- LifeWave patches are non-prescription, over-the-counter wellness devices.
- Patching sessions are **non-diagnostic and non-treatment** services.
- No prescriptions, no injections, no medical diagnosis, no surgeries, and no insurance billing are involved.

- LifeWave sessions are offered on a **self-pay wellness basis**.
- No claims will be submitted to Medicare, TennCare, or private insurance providers.

#### **4. Regulatory & Legal Disclaimers**

- Under **Tenn. Code Ann. § 63-6-205(c)**, natural health services are lawful provided:
  1. They are not offered for diagnosis or treatment of any illness or condition.
  2. The client signs an acknowledgment that the provider is acting outside of their licensed role for LifeWave services.
- The client's signed acknowledgment will be **retained for at least three (3) years**.
- LifeWave sessions are **not covered by the physician's medical malpractice insurance**; professional liability insurance applies **only to licensed medical care**, not to LifeWave coaching or patching services.

#### **5. Client Responsibilities & Risks**

- Participation in LifeWave sessions is voluntary and may be discontinued at any time.
- Minor skin irritation may occur at patch sites.
- Clients are advised to continue their routine healthcare with their primary physician.
- Clients must report worsening symptoms to a licensed medical professional.

## **6. Consent & Acknowledgement**

By signing below, you confirm that you:

1. Have read and understood this disclosure;
2. Understand that LifeWave sessions are self-pay wellness services only, separate from licensed medical treatment;
3. Acknowledge that LifeWave patching is not covered by insurance or the Healthcare Practitioners malpractice insurance;
4. Release the physician and Stargate Clinic from liability arising from the voluntary use of LifeWave products, except as provided by law.
